{Characters}

1) "Hector Roberts", "The Pirate":-

-A 51 year old British sailor, served his country for years in the British navy, lost his eye in a mistaken hit by a Russian submarine to the last cargo ship he worked on, the Russians shot it because it was thought to be a spying ship belonging to "Britain", that made him steal a small war ship with some of the sailors who were with him on that cargo ship, and started his journey with piracy against Russian cargo and civilian ships and could keep himself covered and safe for years till he was captured and sent to a highly secured prison somewhere on "Moscow's" boards, then he was sent to the "Cave" prison after killing a

prisoner in a regular fight and spent 6 years there, got caught by "Rose" & "Floyd" then he was handed to "Anton" and the Russian authorities..

2) "Hook":-

-A British sailor, one of "Hector's" crew and close friends, was called Hook because he lost his left hand in the same Russian attack when "Hector" lost his eye in, joined "Hector's" pirate crew, when he was caught he was kept in a highly secured prison near "Moscow's" boards with "Hector" and most of his crew, "Skeleton's" men killed him when the "Skeleton" attacked the "Sentinels" & "Revolution" in "Inferno #3"...

3) "Popeye":-

-An original pirate, got introduced to "Hector" and became friends, their first meeting in "Denmark" was a fight in a bar for a whore, after being friends, "Popeye" had no crew or ship so "Hector" recruited him, got captured with "Hector" and his crew in the "Baltic" sea and was kept in the same prison where "Hook" & "Hector" were kept but he was in a different wing, got caught by "Rose" & "Floyd" then they handed him to "Anton" and the Russian authorities...

4) "Liam Nils", "The Bee":-

-A 34 year old Swedish Electronics engineer, used to manufacture hard and difficult projects, "Viktorija" used to deal with him in the past with special equipment and tools, she added him to her crew to take down the "Sentinels", created a very small camera and used a tiny chip to make the smallest spying object, it was made and designed to fly and it was in the size and look of a bee, his project was never known by anyone but "Viktorija", because she was the one who asked him to make it and she used to use it in some spying operations years ago, that's why she used to call him "The Bee", had a place in the new crew of the "Sentinels"...

5) "Vanessa", "Quiet":-

-A 30 year old former American sniper, she was sent with a unit to "Afghanistan", she was captured by Afghan fighters, after 10 months, she was rescued and sent back to "USA" but she was in shock and had a lot of mental sessions, she was silent for months and didn't talk to anyone even her mother, when she recovered, she was never the same as before going there, she started working with the "Community", as an assassin, but not for long, she was caught in "Russia" after sniping a "Romanov" family member and was sent to the "Cave" where "Viktoria" added her to the "Revolution", later she was added to the "Sentinels" as a reward for her

precious help and as a second chance given to her by "Frank" & "Viktoria"...

6) "The Tree":-

-An Asian guy, was born with the tree disease, it was killing him slowly but he was too poor and couldn't afford expensive treatment, "Viktoria" offered him to be treated for free in a specialized medical center in "Moscow" in return of helping her against "Mark", got no criminal records, although he failed to kill "Mark" and the operation of hunting the "Sentinels" was canceled, but "Viktoria" did what she promised him with and sent him to a specialized hospital in "Moscow" for his disease, it took a long time but he became okay at the end and thanked her for that...

7) "Edmond", "Rumplestiltskin",
"Rumple", "The Dark One":-

-A 54 year old British wizard, used to do illegal business and assassinations using dark magic, used to be an illusionist in "England", but he became suspicious by time, used to curse people with special powers to serve him later whenever he needed and making them human-looked-freaks, most of these people were disabled or mentally sick people or someone who wanted to have powers to do something or to avenge on someone, but he never did any favor for free, when he became wanted in "England", he traveled to "Russia" and stayed there for 6 years with his son and daughter, he was the wizard who taught "Victor" his tricks and

later in "Russia" he taught him dark magic too, used to be close to "Victor" & "Undertaker", after "Victor's" death, "Undertaker" used to avoid him because he couldn't always pay back "Rumple's" debts, by time he was discovered to be having an army of mutants, wizards used to call him 'The most dangerous wizard in the world', despite all this power, his powers were engaged to a dagger, if it was acquired by anyone else other than him, the other one will be in control of him and if he didn't obey the dagger-holder's orders, he dies, it was also the only weapon that could kill him, he was said to be immortal and can't be killed, murdered by "Victor" in the "Frankenstein" prison with his own dagger...

8) "Kensei Chao":-

-A Japanese samurai, used to be a soldier in the Japanese army, got some special training in his father's school for mortal combat, his abilities were noticeably powerful, had an accident that took his eyes and made him blind, somehow he knew about "Rumple" and he used to believe in magic, "Rumple's" magic was to heal injuries, give enhancements and extra powers, or returning cut down limbs or organs only when the cut down part exist, but it cannot create organs or limbs out of nothing, "Chao" didn't have his lost eyes of course so "Rumple" gave him higher agility and speed, besides to super hearing enough to hear heart beats of someone else, making him know his opponents condition (fear,

tired, dying...), left "Rumple" and his crew when they were caught in "London" and wasn't found or heard about anymore...

9) "Rebecca", "Black Skin":-

-A 28 year old American girl, opened her eyes and faced the world with no parents, an orphan, had no one to love and nothing to live for, "Rumple" was in "USA"-before being wanted-he was hired for a new year's celebration in a hotel, she was there as a waitress but she wasn't clean, she was stealing from the guests and was clever about that, "Rumple" noticed her, he left the money he had from the hotel's manager in his room on a table with an open door, she was ordered to deliver dinner to the wizard according

to his request, she went there and took the money, she thought that he was in the bathroom, but he shocked her when she saw him sitting on a sofa in a dark side of the room, she didn't know what to say and begged him for mercy, but he wasn't that kind of people, he throw some dust on her and applied a magical spell on her, it turned her skin to black color completely even her face, eyes and hair (she was blonde and her eyes were blue in the past), that skin was not just black, it was thick enough to prevent a regular pistol bullet from penetrating her body, and very soft enough to slip on any surface, later she discovered that her skeleton structure was more flexible than any usual human, since that time she became "Rumple's" slave, got caught by "Hylaria" and

imprisoned in the "Frankenstein" prison...

10) "The Skeleton":-
