-A 25 year old female English super agent, killed the "God's eye" with no effort, was used only in delicate situations, well trained and got no name with no chance to be traced, became a good friend to "Mark" and "Arrow's" wife at the end of the line...

### 2) "Pegasus":-

- "Zof's" brother and a member in the "Dark Shadows", although he was a very rich man, a billionaire, used to finance their business and was the main financier for the gang, well protected by

politicians and some army and police Colonels & Generals, wanted in many other countries by the name of "Pegasus", smart & rich enough to attract anyone's attention and make any criminal do whatever he says, he wasn't seen or detected until he attacked the hospital hosting his brother, just to attract attention to him with a crew of enhanced criminals, best in the business, committed suicide when he realized that he lost nearly 90% of his money after "Frank's" hijack on his casino...

### 3) "AKA Doomsday":-

-A Russian thug, a member in the "Dark Shadows", one of the special members in the gang, former prisoner in the "Cave" prison in "Russia", later he

was discovered that he was a friend to "Juggernaut" when they were in the prison together, was released after "Pegasus" bribed some special officials in the prison who helped getting him out, got caught by the "Twin" & "Floyd"...

#### 4) "Thomas", "Panther":-

-An African guy, was a common criminal in "USA", the "Shadows" recruited him when he helped them in an operation in "USA", "Victor" recruited him when "Victor" noticed that he was a tough guy and obviously fast in his moves, "Victor" trained him in person, anyone trained by "Victor" must be a very dangerous man, died when he hit the explosive barrels while following "Rose"...

5) "Lana":-

-The younger sister of "Zof" & "Pegasus", wanted to get the crew who crippled her brother too, good shooter, perfect with electricity and electronics, knew everything about explosives & bombs, murdered by the "Twin"...

6) "Blade":-

-Was a blades-man in a circus in "England", was accused of killing someone using his abilities and was imprisoned for years, later "Bishop" got him out and used his abilities for a short time, then "Victor" recruited him and made him a "Shadow" when "Bishop" became officially wanted, got arrested by "Sonya" and was sent to the

*“Frankenstein” prison...*

7) *“Leon Landon”*:-

*-A former “SAS” agent, sniper and a good hand-to-hand combatant, knew how to get himself out of any tight corner, trained very well and had a lot of corrupted relations with many foreign intelligence which helped him much in his operations, the “Dark Shadows” used him when there was someone untouched should be killed, lost his left arm and the “Shadows” replaced it with a metal one for him, making him more dangerous than he used to be, murdered by the “Twin”...*

## 8) "Abyss":-

-A Russian thug, was maimed and masked, a freak monster psychopath giant, 7 ft tall at least and about 400 lb weight, but got no mind to think, used to listen to "Pegasus" and do whatever he ordered him with, got a genetic deformation in his bone structure, his bones were denser than regular humans, giving him amplified strength enough to stand in front of "Mark" using the suit, no chance to break a bone in his body, somehow was immune against poisons, was kept in the "Cave" prison when his execution process failed, as he was executed by the killing injection in "Russia" but survived somehow, his blood created antibodies against any venom, got imprisoned in the

*“Frankenstein” prison in a cell with no partner...*

9) *“Hylaria”, “Mystique”*:-

*- “Mark’s” only love, lost her memory while fighting cancer, “Ivy” told “Rose” to take care of her very well and use every technology needed to cure her, was cured from cancer, but still got problems with her memory and body skin which forced her to paint her body with a special colored cream just to keep her skin together and prevent the cells from melting in the high temperature in “Egypt”, also to reduce the pain temporary until they find her a cure for her condition, she was trained with “Rose” and was prepared to be an agent, she never left “Mark’s” side although her*

*illness and she became the mother of his twins "Achilles" & "Eve"...*

*10) "Richard J. Silver":-*

*-A 44 year old American soldier, worked for the "NSA", had a huge file full of jobs and operations, all ended with deaths and destruction, the US government used to call this guy when they wanted to get rid of a terrorist or a clan, had a license to kill whoever he thinks was a danger to the US national security, got a crew of soldiers well chosen and well trained, was sent with one task in mind, killing "Pegasus", became a part of the "Sentinels" when they became a crew belonging to the "NATO" special forces with a Captain rank this time...*

### 11) "The Hitman":-

-A high class professional assassin, wasn't officially in the "Dark Shadows", but joined the "Shadows" to take down the "Sentinels" in return of a lot of money, was never caught and had no records in the International Criminal Database or in the "MI6" X-files, got caught by "Rose" and was locked in a special cell in the "Frankenstein" prison...

### 12) "Ben", "The Dragon":-

-A former patient of "Hanwell" asylum, was put there for extreme fatality when he was imprisoned in "Wakefield", got a mental problem when his parents house got burnt and his

mother died in the fire, disappeared somehow from "Hanwell" and joined "Pegasus" to take down "Frankenstein" as a job, there was no history between him and "Mark", got arrested by "Silver" and was imprisoned in the "Frankenstein" prison...

### 13) "Ras Al Gul":-

-An Egyptian thug, used to have special deals with very important drug dealers in the middle east, and special businessmen who used to have their illegal deals with international gangs and mobs, he used to be a catalyst between both sides, had a 10 years imprisonment in the Egyptian prisons but never stopped being dirty, murdered by the "Twin"...

#### 14) "Chen Han":-

-A 32 year old Chinese secret service agent, was responsible with others in "China" to investigate about that hijack for the American-Chinese weapons on the Chinese soil in the American base, served her country in "Japan", "South & North Korea", "Iran" & "Russia", got attracted to "Frank" somehow but never had a chance, became a good ally for the "Sentinels" when they became a part of the "NATO's" special teams, became a good friend of "Frank" by time, wasted years of her life hunting the "Chinese Triad" and its members, specially "Chang" but was never close enough to put her hands on him...

15) "Jerry Jackson":-

-A 37 year old American first Lieutenant military soldier, used to work in the special forces, was "Silver's" best friend and a close guy to "Silver" too, died in the fight that happened on the "London"- "Crawley" highway...

16) "Anton Dmitry":-

-The eldest brother of the "Dmitry" brothers [Anton, Makar, Pavel, Vald & Dominika], a Russian military officer, served in [Chechen, Bosnia, Herzegovina & Syria], became a good friend to "Mark", was proposed to become a part of the "Sentinels" when they became a special force in "NATO", but he refused to leave his brothers and wanted to keep serving

his country, specially that his country wasn't a member in the "NATO", serving in the "NATO" wasn't gonna be accepted in his country, later he served in the "FSB"...

17) "The Undertaker", "The Boss":-

-The "Shadows" real boss, "Mark's" uncle, was said to be dead in the 90s, "Victor" was accused of killing him, his head was already wanted by "Bishop", his fake death and the Triads help to him made him the monster he was, he was the one who taught "Victor" everything about magic, looked to be knowing everything happening in the world more than anyone else, used to collect enhanced thugs and developing their abilities in order to use them the

way he wanted in return of making them useful and do whatever they were good at without fear from law and with a lot of money and secret or fake identities, his gang was one of the most dangerous gangs in the world, shot himself when he found out that he couldn't escape from "Mark"...

18) "Jack Smith", "The Predator":-

-A 41 year old man, former American Marine, the only survivor from the "Soviet" serum-besides "Ivy"-that was used to make "Ivy" as tough as she was, he was also the last man to use it in 2003 to be a powerful weapon in the battle field in "Iraq", killed too many people there, most of them were civilians, and whoever was

*fighting from the Arab side didn't stand a chance against him in gun-to-gun or hand-to-hand combatants, he was fast, tough and nearly never felt tired and never got hurt in the war, when the war was over he was sent to serve in one of the "NATO's" bases in "Turkey" till 2007 then he disappeared completely, later was discovered to be behind too many disasters and assassinations in the world, suddenly appeared in "England", one of the worst opponents "Mark" ever faced, joined the "Sentinels" to take down the "Shadows" and the "Community's" thugs, later on "Crouch" took him and became a secret agent in the "MI6" like "Agent X", used only for special missions...*

## 19) "Alan Bourne":-

-A 60 year old Major General, one of the worse generals in the British history, known for his toughness, stiffness and cruelty, totally ruthless, no mercy, "Shaw" nominated him for being the "Frankenstein" prison's warden and the government agreed, that prison wasn't the first prison he ruled, everywhere he was in, human rights used to watch him and send delegations to see his acts towards his prisoners, the "Frankenstein" prison was the best place for "Alan" to do whatever he wanted away from the human rights powers, used to say that "There are only 2 ways to leave my prison, they are: A burial permission, or when you finish your period in here, otherwise, you're stuck

here with me forever", "Frank" saw that this guy was the perfect guy to rule a place like the "Frankenstein" prison...

20) "Boris Zakharov", "Zak":-

-A Russian 7 ft tall 300 lb guy, a "Shadows" member, "Undertaker's" special bodyguard, was sentenced to the "Cave" prison for life because of killing 2 cops in the street and injuring others in a street fight, "Undertaker" helped him to escape and made him one of his men, got arrested by "Viktoria"...

21) "Viktoria Nikolay", "Iron Witch":-

-A 38 year old Russian "SVR" agent, the second strongest woman "Mark" ever met after "Ivy", had her time digging behind the corruption in the "FSB" and was tailing the "Shadows" for 3 years heard about their tech and dirty business, she didn't care about their drug dealing or any dirty business except the arms deals, helped "Mark" to catch/kill the "Undertaker" and they became friends ever since, later on he discovered that she was "Ivy's" friend too, when it was over she was wanted to be an agent in the reincarnated "KGB"...
