- "Frank's" son, a mutant, "Jenny" was his mother, became a mutant because of his uncle's curse, had superhuman strength, when his father

died he was 23 years old, lived with his parents in "Wales" and worked as an electronics engineer, his mother covered on him well but he decided to join his brothers to fight for humanity, later he became a member in the first team of mutants to serve the Kingdom, the "Mark V"...

8) "Julia":-

-A 24 year old British skilled and talented magician, got introduced to "Magnet" when he was looking for an assistant to help them preparing the acts and apparatuses for the "Horsemen's" magical shows in "London", "Achilles" saw her talent and knew that she was a mutant like them, so he decided to add her to the "Horsemen" officially, in fact it wasn't

the real reason, he was in love with her, so was "Magnet", but her feelings were confused between both men, later she chose "Magnet" but he rejected her because he knew that his cousin loved her, died during "Frankenstein's" funeral defending the American vice president and the British prime minister against the Hammer Drones...

9) "Karen", "Silhouette":-

-A 160 years old American woman, a mutant, became a mutant when she was cursed by a wizard in "South Africa" when she was 25, since that time she became immortal and time change didn't affect her body, didn't involve herself in any fight or conflict that could expose her mutation, traveled a lot to keep a low profile,

when the "Global" war took place, she hid because she wasn't a fighter, she had a power but she wasn't qualified to use it, knowing that "Wolf" was immortal too made her think that he was the one God created for her, she loved him and they got married when it was over, later she joined the first mutants crew made to serve the British government, the "Mark V"...

10) "Matt Boyle", "Elohim", "The Gods Slayer":-

- "Dr. Boyle's" only son, a genius businessman, in a very short time he could build his corporation of technology and weapons development, "Boylecorp", and became responsible of fixing and manufacturing new models of the Hammer Drones, "Prof. Landon"

was the head of the technology development in the corporation, traveled back by time using "Frank's" machine after stealing it and went back to the pharaohs era, killed all the known powerful Gods of "Egypt" that time and waited for "Victor" to come from the other time he was in, 2017, after killing all Gods he acquired their powers and became the well known God of Gods, "Elohim", the powers he possessed were [Telekinesis, teleportation, superhuman strength, molecular manipulation, healer, durability, flight, high agility, barriers formation, mutant power bestwoal, genius intellect, excellent strategist, master manipulation, knowledge absorption] murdered by the sun God "Ra"...

11) "John", "Cezar":-

-In 2040, he was a 32 years old British soldier, "Sentinels" member, lost his arms during the "Global" war in 2028, after the development of robotics and robotic limbs, the government's special labs created a new project of robotic arms for those who lost theirs, the arms were VERY strong and easy to control, his arms were made of "Titanium", he chose the name of "Cezar" for himself, after the operation's success, he was added to the "Sentinels" crew, he was one of "Ivy's" students and a trusted one too, became a member in the "Mark V" crew of mutants and specialists...

12) "Thomas", "The Angel":-

-In 2040, he was a 31 year old British "MI6" agent, "Sentinels" member, was chosen to try a new project created by the "Boylecorp" corporation, it was like a robotic spine connected to metallic wings, the robotic spine's function was to transfer the brain's signals to the wings to move, as if it was sending orders to move any limb, this was impressive, the wings were made of "Adamantium" metal, a composite of metals and Carbon making an indestructibly strong metal for the Hammer Drones and any project for the intelligence work, became a member in the new crew of mutants and specialists, the "Mark V"...

13) "Grace":-

-A young British navy soldier, "Sentinels" member, weapons expert and the team's official sniper, good hand-to-hand combatant, was one of "Rose's" trainees and became good enough to be added to the "Sentinels" crew based on "Ivy's" choice, fall in love with "Magnet" and they decided to get married when everything was over, she retired when it was done and lived with the family in the mansion...

14) "George Cassidy", "Humanoid":-

-A former American soldier, 90% of his body was burnt down during the "Global" war, "Cezar's" close friend, became a project of creating a human-robot, a human mind and

soul in a machine, the project was made in 2033 because during the war, artificial intelligence program wasn't ready to be applied on the Hammer Drones humanoid robots, the human-robot project didn't succeed with many humans, so the artificial intelligence program was back on air, the humanoid body was made by the "Boylecorp" corporation, he was a perfect martial artist and a good swordsman, his new body helped him to become an official member in the "Sentinels" crew, got destroyed during the 'War of Destiny'...
